Notes

Each event reflects its full campaign lifetime. Spend that ran after an event date is excluded from totals ($2,890.70 after the Feb 26 Taxes event).

* The Feb 19 and Feb 26 events ran before registration tracking was live; their registration counts are client-reported.

Registrations count all sign-ups for an event. Cost per registration = total event spend ÷ registrations. CPM = cost per 1,000 impressions.
